With first year teacher Mr. Collins out sick, a quirky cadre of students take it upon themselves to pull together the school's annual "Classics on Parade," acting out famous stories that they studied in their literature class. The students, however, decide to make the stories relevant to today's audiences, with hilarious results! The authors are surely rolling over in their graves as Mr. Collins is terrified of losing his job, from the mangled take on classic stories! You'll love the hysterics of these plays-within-a-play. Romeo and Juliet is set in a fast food place! Frankie Stein trying to assemble the perfect prom date! A second rate theatrical agent becoming the Phantom of the Opera so he can force a good deal! A desperate Shirley Holmes and Joni Watson jump-starting a new detective agency! And teenage slacker Artie surprising his unimpressed mother with a sword he pulled from a stone!
