TISSUES	Requested Donation	Requested Donation	Requested Donation

Students in **World Language classes** will also need:

- 1 large spiral notebook, college ruled
- Constant supply of 3x5 index cards and glue sticks

**Parents:** Throughout the year, your child's teacher(s) may identify items for donation that they may need for their classrooms. If you would like to donate such items, it is certainly appreciated. Thank you.

**Optional:** The TI-84 Plus Graphing Calculator will be used regularly in math classes. Graphing calculators are an important technology used in Howard County math courses beginning with pre-algebra and extending through the end of the math course sequence. Although students will be provided with a graphing calculator for use in school and have the ability to borrow one for out of school use, students are best served by having a personal calculator and becoming familiar with how it is used to address a number of different types of math problems.
